## Summary

A cute one shot in honor of Valentine's Day.

I'm Scarlet, Scarlet O'Hara. Momoko is surprised to see me arrive with a big box of Valentine's Day chocolates. She's even more surprised when I give it to her.

I am Scarlet, Scarlet O'Hara. I'm not supposed to tell you this, but I'm also a Love Angel, Angel Salvia. Valentine's Day is today. Unlike my female friends, the other Love Angels, I don't have a lover. That didn't stop me from buying a big box of Valentine's Day chocolates, but I could never eat them all. Thus, I had the idea to give it to Momoko aka Wedding Peach. The pink-haired teenager is surprised to see me arrive with the box of chocolates. She is even more surprised when I offer it to her.

"Why are you giving me this?" She asks me. "Your lover..."

She falls silent when she realizes her blunder. I lower my head. I have always been alone, and I'll always be alone. Who would want me? Momoko, sensing my dark thoughts, starts talking.

"I am sorry! But don't give up! One day, you'll find love as well."

"Thank you, Momoko." I said, lifting my head.

She opens the box and is amazed at the number of chocolates inside.

"Hey, we could invite Yuri and Hinagiku. Let's eat chocolates between girls."

"That's a good idea, but aren't you supposed to be dating your boyfriend?"

"Yes, Yuri and Hinagiku too, but the boys can wait. We're friends, after all."

I smile. Momoko calls her friends and we eat the chocolates together. For the first time, I have a lovely Valentine's Day.
